

CALL FOR ITEM WRITERS FOR 2024 FLACS EXAMS!

Good quality exams need a large bank of test items from which to choose. Please help us provide good quality exams by encouraging your teachers to submit test items to us and permitting them to attend a workshop, free of charge. Participants will be trained in the item writing process first and then will be given time to create new items.

**Workshops are open to all FLACS members and world language teachers.
Lunch will be provided!**
